Willful Participation Agreement

I, the undersigned, desire to use the shooting range facility (hereinafter referred to as the Range) administrated by the Douglas County Rifle & Pistol Club Inc. (hereinafter referred to as the Club) in the City of Lawrence (Douglas Co., Kansas) Community Building, and therefore do freely agree to the following:

A) Participation in the activity of firearms target practice in any setting requires a degree of harmful risk which must be assumed by the participant.

B) Neither the Club or the City of Lawrence (owner of the range) provide health or life insurance for participants. We recommend that participants provide these policies for themselves.

C) Safety is of utmost importance to all members or guests. As a member or range guest, I hereby attest that I have been given a copy of the range safety rules (attached to this form) and that I have read and do understand these rules.

D) Shooting cartridges having bullets with bare lead bases, or primers formulated from lead compounds, on an indoor range may introduce potentially toxic lead vapor into the air. The Club provides continuous ventilation equipment sufficient to clear the range of smoke from a 3/4 inch smoke bomb within three minutes. Neither the Club nor the City of Lawrence has contracted for an air-quality analysis during range use. Users of the facility therefore participate at their own risk under the above provisions. A defect in the ventilation system shall constitute grounds for the Club to cease activity until the defect is repaired.

E) If I use any ammunition other than that produced by a recognized manufacturer of such ammunition, I assume any and all personal and property liability for damages caused by use of such ammunition, and do specifically hold harmless from liability the Club, its officers, and the City of Lawrence.

F) If I am legally classified as a minor in the State of Kansas. I understand that I may not use the range unless my parent or legal guardian is a cosigner of this form and accompanies me.

I have read and signed this willful participation agreement and I agree that any violation of the Club's Range Safety Rules, or any failure to obey promptly the commands of a Range Safety Officer, may be grounds for expulsion from the Range and termination of membership privileges. I agree that I am participating in an activity that has an inherent risk, which I am willing to assume. I agree due to the voluntary participation on my part , with knowledge of the inherent risks therein, that I shall not hold the Club, the City of Lawrence, or any officers or employees thereof, liable for harm arising from Range activities.
